

Celebration Orthopaedic & Sports Medicine Institute

Left to Right: Matthew Johnston, DO; Joseph E. Robison, MD; Brad Homan, DO; Maahir Haque, MD

OUR VISION: Our goal at Celebration Orthopaedic and Sports Medicine Institute is to provide exceptional orthopaedic care for our community and beyond. We believe in earning the trust of our patients, and we strive to deliver the highest quality treatment by utilizing the latest and most innovative surgical and nonsurgical techniques. The ultimate goal of our entire organization is to aid and support each patient as they navigate through their health-care process. We make patient satisfaction a priority and are dedicated to delivering convenient and compassionate treatment. **OUR SPECIALTIES:** We treat the full range of orthopaedic issues including hip and knee replacements, spinal conditions, sports injuries, hand and wrist, foot and ankle, and arthritis of all joints. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** Our doctors are affiliated with 7 local high schools as team physicians, TNA professional wrestling and Disney endurance events. They are Board Certified and are members of the American Osteopathic Association, American Osteopathic Academy of Orthope-

dic, American Academy of Orthopaedic Surgeons, and Florida Orthopaedic Society. **WHY YOU SHOULD CHOOSE US:** Our philosophy is to treat the whole person, not just their injury. Every diagnosis and treatment plan is different for every patient. We take into account every person's individual needs and treat them accordingly. We work with the patient to help determine what steps need to be taken to help them recover, but the treatment plan is ultimately the patient's decision.
